# METALWORK

EIE has know-how in metalworking that it puts to good use manufacturing manhole hatches to facilitate and secure access to hydraulic devices, buried boxes and other pieces of equipment such as ladders, anchoring collars, portable pipe storage racks and made-to-measure storage racks.

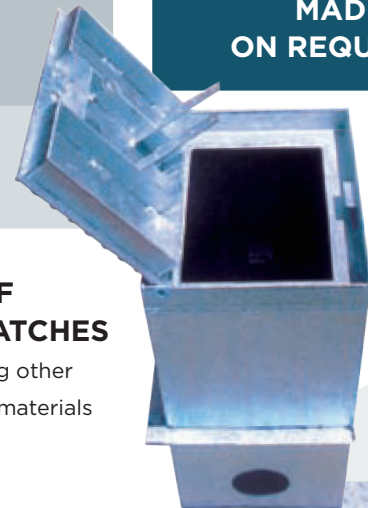

**YOUR  
BURIED BOX  
MADE  
ON REQUEST**

## A BROAD RANGE OF STEEL MANHOLE HATCHES

with the possibility of making other dimensions and using other materials (aluminium, stainless steel).

## EIE EMBEDDED MANHOLE HATCHES

provide access to hydraulic devices, metering, disconnection and technical chamber manholes.

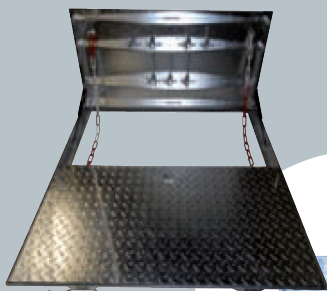

### Assisted opening secured

by an EDF-type triangle key

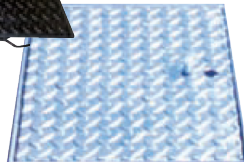

- Various models:

From 600 x 600 to 1200 x 1000 and other dimensions on request.

**Load class A15, B125 or C250**

Hatch 12.5T (B125)

Hatch 3.5T (A15)

**SPECIFIC SOLUTIONS:  
FILLING HATCHES**  
to fit perfectly into  
your environment

## OTHER MADE-TO-MEASURE METALWORK SOLUTIONS

to meet your special needs

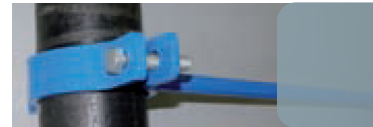

### LADDERS AND RUNGS TO EMBED

### ANCHORING COLLARS

to facilitate the fitting  
and connection of pipes

- Easy to install
- Broad range:  
from ND 60 to 500, with  
option of other diameters  
or lengths on request.

### PORTABLE PIPE STORAGE RACKS

designed to store and stow your cast iron  
pipes safely and efficiently on your worksites  
or in your equipment yards.

### MADE-TO-MEASURE STORAGE RACKS

**ATTENTIVE TO  
ALL YOUR  
METALWORK NEEDS**
